**Indraloka Animal Sanctuary in Dalton Sponsoring Goat Games Event
Saturday, August 12th, 9:30 a.m. to 11:30 a.m.**

Dalton, Penn. — Goat Games 2023 is a family-friendly event offering children and adults of all ages a chance to connect with the beauty of nature and bond with [Indraloka's](#) herd of adorable, friendly, gentle goats **from 9:30 a.m. to 11:30 a.m. on Saturday, August 12th.**

Seventeen animal sanctuaries across the country participate in [Goat Games](#). The FUNdraiser receives matching gifts from organizations and generous donors dedicated to helping save all animals from cruelty, neglect and illness. Indraloka's goal of raising \$15,000 will go towards the \$85,000 annual cost of caring for the sanctuary's goats.

This year, Indraloka is hosting an onsite event. Attendees will receive a swag bag worth \$20 and get to spend plenty of time cuddling, feeding and running with Indraloka's gorgeous goats. For every \$25 donated, people are automatically entered into a raffle drawing for a piece of original goat-themed art created by local artists.

"This is a really unique event—different from anything else we've done. While most of our tours and events offer visitors the opportunity to enter the animals' enclosures, this event will be the reverse. Our most outgoing (and well-behaved) goats will be invited to roam the sanctuary with visitors. This interaction will be our most intimate yet." Indraloka founder Indra Lahiri says. "Goats are extremely social animals. They love people and eat up attention. This event is a wonderful way to enjoy the beauty, intelligence and humor of goats and spend some time surrounded by the natural beauty of Northeast Pennsylvania." People can register on [Indraloka's website](#).

Registration is required.

Besides attending the onsite event on August 12th, people can support Indraloka by donating online through the [Goat Games website](#).

Set on 100 acres of verdant pastures rimmed by Northeast Pennsylvania's Endless Mountains, Indraloka is home to nearly 200 farmed animals of all species. The sanctuary focuses on rescuing animals from the most desperate circumstances, animals that escaped from live markets and slaughterhouses, left unattended on abandoned farms, and rescued by humane police from extreme abuse.

Indraloka offers year-round programs, including meditative walks and meditation classes, art and music courses, summer camps for children of all ages, healthy (and delicious) food preparation, Reiki healing sessions, and dozens of other events. Each November, the sanctuary celebrates [ThanksLiving](#), a spectacular feast that honors the Indraloka's many birds. It is one of the most popular outings in the area.

Dr. Lahiri is available for interviews and media tours. Indraloka has been gaining national attention as one of the preeminent farm animal sanctuaries in the world. The sanctuary's educational programs are hailed as the future of education.
